Dear Randy:

I am writing to ask you will you please try and arrange an appointment with Mr Drew, so that I can come to Phila. to see him. I will come any time it is convenient for you two to meet with me. I would prefer coming some day the first part of the week, any day from Monday to Thursday.

I will greatly appreciate it if you will let me hear from you as soon as possible, as I want to start working on my plans soon .

I hope you are well, and things are going along nicely for you. Will look to hear from you soon.

Very Truly Yours
